

Church On The Rock

Reopening Standards and Criteria

We look forward to meeting again for in person services. In accordance with CDC Standards, we will implement a protective protocol to do our due diligence in keeping our church family safe and healthy.

Sanctuary Protocols

- Everyone attending service must enter through the front glass doors of the Sanctuary.
- Face masks are optional for congregants.
 - All greeters will wear face masks and gloves.
- We will have temperature checks for each person under the porte-cochere. Anyone with a temperature reading over 100.0 degrees will not be permitted in the sanctuary.
 - All children attending Kid's Church will also receive temperature checks and any child with a temperature reading over 100.0 degrees will not be permitted in Kid's Church.
- We will have hand sanitizer at each door and ask each person to use hand sanitizer before they enter the sanctuary.
- We will ensure proper spacing between attendees:
 - Families are asked to sit together in family groups.
 - Keep at least two empty seats between family units. No one will be allowed to be seated in the seats directly behind any person.
- We will not have a formal greet time during service. We ask that while in the church facilities, you do not shake hands or give hugs.
- We do not want people assembling in the foyer. If you would like to spend time talking to others, please step outside in the open air.

Hospitality

- We will not have a coffee service available on Sunday morning until further notice.
- We will not have our hospitality services available for our ministry team for Sunday morning service until further notice.

Offering

- In order to make our offering experience touchless, we will not pass offering containers. You can drop your tithes offering in white metal churches located in the foyer.
 - If you need an offering envelope, you can get one yourself at the Information Center.
 - You can also continue to give online at www.churchontherockfl.com
 - You can also text to give by texting GIVE to the number 941-202-6777.

Seniors or Physically Compromised

- We strongly encourage our seniors or at-risk population to watch or participate in the service remotely until you feel comfortable to join us for our in-person services.

Bathrooms

- Please socially distance yourself in our bathrooms.
- Please wash your hands thoroughly.

Cleaning

- Please know that our facilities are thoroughly cleaned each week between services and all surfaces are disinfected.
